

Free On-line Reading Program

BookFLIX by Scholastic 是一個
網上閱讀英文書籍的平台。

我們不建議幼兒過早接觸電子屏幕及與屏幕相關的電子產品。

但 BookFLIX 可以為家長們提供一個豐富的英語閱讀資源庫。透過這資源庫，我們可更有效地為孩子們選擇適合他們的書籍及配套，然後從圖書館把書籍帶回家，與孩子們共享。

凡參加「英語小園地」、「英語拼音小組」或「K3 英語增潤活動」的同學們，即可免費享用 BookFLIX 2019-2020 學年網上閱讀計劃，詳情於註冊後提供。

其他同學，則可以每學年繳付 \$60 享用以上服務。

BookFLIX by Scholastic is an on-line reading program.

We do not encourage young children to spend time reading on electronic screens, or engage extensively with any on-screen activities.

However, BookFLIX provides parents with an extensive collection of children books and games. Parents can screen through these books at your leisure and select books and games that your child may be interested in. You may then check out these books from the local library and bring them home to read with your child.

Children who register for "English Fundland", "Phonics", or "K3 English Enhancement Activities" will have complementary subscription to BookFLIX for the 2019-2020 school year. We will provide details of the program after registration.

Other children interested in the program may also join BookFLIX with a \$60 annual subscription fee for the 2019-2020 school year.

Dear Parents,

"Eye On International Education Association" has subscribed to a fun, new reading program that you can access from home! Scholastic BookFlix is an online literacy resource that pairs classic video storybooks with related nonfiction eBooks from Scholastic to build a love of reading and learning. This engaging resource for early readers will help yours child develop and practice essential reading skills and introduces them to a world of knowledge and exploration.

You can access Scholastic BookFlix anywhere with internet connection. This interactive resource will help children get excited about reading and books and extends learning beyond school hours. BookFlix includes:

- Classic video storybooks each paired with a related nonfiction eBook.
- Read-aloud supports so students can hear each book narrated and also hear definitions of key words and directions for each activity.
- Educational games and activities so children can show what they have learned.
- Meet the author section to learn more about the author of each fiction book.
