## - 紅蘋果創意敲擊樂班

課堂內容包括唱歌、節奏活動、音樂遊戲和故事環節。幼兒能透過唱歌和身體律動能感受不同的音樂元素，包括：節奏組合、強弱對比、發音法（如連音及斷音的對比）、穩定的節拍和不同的拍子記號。幼兒亦能透過「律動」體驗不同類型的音樂風格；在「故事時間」中，音樂與故事情節相輔相成，讓幼兒感受音樂中的情感；此外，他們還可以演奏敲擊樂器，如鐘片琴、搖鼓和三角鐵，體驗箇中樂趣。

# YAMAHA Musical Certificate Course

## - Red Apple Percussion Course

The class content includes singing, rhythm activities, musical games and story time segments. Through singing and body movement, children can engage with various musical elements, including rhythm patterns, contrasts in dynamics, articulation techniques (such as legato and staccato), steady beats and different time signatures. They also have the opportunity to explore various music genres through rhythmic movement. During the storytelling time, music complements the storyline, allowing children to experience the emotions conveyed through music. Additionally, they get to play percussion instruments such as xylophones, tambourines, and triangles, experiencing the joy of creating music with these instruments.
