奧數基礎班

以「初小奧數」學習的基礎理論作藍本，透過生動有趣的遊戲和活動，並結合不同的教材，讓幼兒逐漸掌握基本的計算、圖形、推理、換算、比較等，同時增強邏輯思維能力，解難能力並建立對數學的興趣。

Math Olympiad Foundation Course

Based on the fundamental principles of "Math Olympiad," this course utilizes engaging games and activities along with diverse teaching materials to gradually equip young children with essential skills in basic calculations, geometry, reasoning, conversions, comparisons, and more. By enhancing their logical thinking and problem-solving abilities, this program aims to foster a deep interest in mathematics.
