

至叻小廚師

透過無火煮食，幼兒可以製作不同類型的美食，從中認識各種食材的名稱，並學習簡單的烹飪程序，同時體驗當小廚師的樂趣。課程可以提升幼兒的自理能力、邏輯思維能力、專注力，手眼協調能力和解難能力。

Mini Chef

Through flameless cooking, young children can create various types of delicacies, allowing them to learn the names of different ingredients and acquire basic cooking skills. They can also experience the joy of being a little chef. This course enhances children's self-care abilities, logical thinking, concentration, hand-eye coordination, and problem-solving skills.
