

玩出專注力

專注力是學習過程中不可或缺的元素之一。本課程由經驗豐富的註冊幼稚園教師編訂，針對幼兒常見的專注力問題，設計了有系統的活動和遊戲，包括專注力提升訓練和記憶力遊戲等，並結合趣味的練習和適當的教材，旨在提高幼兒的整體專注力，從而提升他們的學習效果。

Stay Focus

Focus is an essential element in the learning process. This course, developed by experienced registered kindergarten teachers, addresses common attention-related issues in young children. It incorporates systematic activities and games specifically designed to improve concentration and memory skills. With the integration of engaging exercises and appropriate teaching materials, the course aims to enhance overall focus in young children, thereby improving their learning outcomes.
